From. Mr Naram Rao Esquire,
Deputy Commissioner
Shimoga District

To L Anantasamy Rao Esquire B.A.
Secretary to Government
Menzies Department

Sir,

With reference to your Rulekari No 1353 dated 12th April 1898, I have the honour to submit herewith a Statement showing the particulars regarding the lands endowed to the temple of Sri Venkataramana Swamy at Pillangere. It will be seen from the Statement that many of the Upadies are not in force and that the Upadhivantas are not resident at Pillangere Even the Upadhivantas that reside at Pillangere are reported to do their duties very perfunctorily. The lands in the possession of those that are not resident at Pillangere and do not perform their duties have been ordered to be attached

2 Archak Shamachar referred to in para 2 of the Rulekari under reply, has since been dismissed, as he was reported to be leading an immoral life. The appointment of a competent successor to him is under correspondence.

3. With regard to the appointment of Malakka as sweeper of the temple, it is reported that the records do not show that Malakka worked for

more than one or two months in the year 1898 or that any pay was disbursed to her after the Meypoi Secretary's inspection of the temple. The temple is now under reconstruction and when that is finished a Sweeper may have to be appointed. The pay of the Sweeper may be met out of the temple funds.

4 The temple is endowed with lands shown in the Statement referred to in para 1. The total income from these lands is as per margin. According to valuation Survey the income of the Pellangere village which is endowed as Sarvamanya Inam to the temple, is Rs 326-12-8. According to the old Survey the income of the lands is estimated at Rs 611-0-1. Of the lands in the village, lands whose estimated income as Rs 409-11-11 are waste. The remaining lands with an estimated income of Rs 201-4-2 are under cultivation Of this estimated income, of Rs 20-7-0 which is the local cess due to Government be deducted, what remains for disbursement among persons who render Service in the temple is Rs 180-13-2 But if the Survey Settlement be introduced into the village a much higher income may be expected and after making provision for expenditure on the temple according to a Scale to be prescribed, a large amount may be saved as Surplus Funds in favour of the temple Consequently I have made a reference to the Revenue Commissioner under Government Proceedings No. R 5447-56 / L.S 9-06-4 dated 9-11-1906 to arrange for the introduction of the Survey Settlement into the
